**ARBITRATION AWARD**

I, Anne Malone, the undersigned arbitrator, designated by the American Arbitration Association pursuant to the Rules for New York State No-Fault Arbitration, adopted pursuant to regulations promulgated by the Superintendent of Insurance, having been duly sworn, and having heard the proofs and allegations of the parties make the following **AWARD**:

Injured Person(s) hereinafter referred to as: EIP

1. Hearing(s) held on 04/28/2025  
Declared closed by the arbitrator on 04/28/2025

Jennifer Rabeb, Esq. from Korsunskiy Legal Group, P.C. participated virtually for the Applicant

Chris Mango, Esq. from Rivkin & Radler LLP participated virtually for the Respondent

2. The amount claimed in the Arbitration Request, **\$1,904.75**, was NOT AMENDED at the oral hearing.  
Stipulations WERE NOT made by the parties regarding the issues to be determined.

3. Summary of Issues in Dispute

The 27 year old EIP reported involvement in a motor vehicle accident on January 26, 2023; claimed related injury and received Lidocaine ointment provided by the applicant on April 13, 2023.

The applicant submitted a claim for this topical prescription medication, payment of which was denied by the respondent based on its finding that benefits are not payable as the applicant failed to comply with the policy terms by failing to appear for two scheduled examinations under oath.

**The issues to be determined at the hearing are:**

**Whether the applicant violated a condition precedent to coverage.**

**Whether respondent's denial based on the applicant's failure to appear for an EUO can be sustained.**

4. Findings, Conclusions, and Basis Therefor

This hearing was held on Zoom and the decision is based upon the documents reviewed in the Modria File as well as the arguments made by counsel and/or representative at the arbitration hearing. Only the arguments presented at the hearing are preserved in this decision; all other arguments not presented at the hearing are considered waived.

It is the respondent's burden to prove that the bills in question were properly denied. Under 11 NYCRR 65-1.1, which prescribes the No-Fault Mandatory Personal Injury Protection Endorsement which must be included in all owners policies of motor vehicle liability insurance issued in New York, the "Conditions" section of the endorsement contains a "Proof of Claim" provision which states in pertinent part that "Upon request by the Company, the eligible injured person or that person's assignee or representative shall:(b) as may reasonably be required submit to examinations under oath by any person named by the Company and subscribe the same..."

If the respondent requires an EUO of the applicant it has 15 business days after receipt of proof of claim in which to send correspondence requesting the examination under oath. If the party fails to attend, within 10 calendar days of the no-show the insurer must contact the party from whom the EUO is requested to give the party a second opportunity to attend.

If the party fails to appear at the rescheduled EUO, an insurer may issue a denial of pending claims based upon the failure to meet the condition for coverage in not submitting to the requested EUO, as required under the prescribed endorsement. There is no requirement in the regulation that the denial must state the specific reason(s) why the insurer required the EUO.

The respondent alleges to have attempted to schedule the EUO of the applicant, who failed to appear.

The respondent submitted copies of letters which were sent to the applicant and its attorney dated June 22, 2023 and August 3, 2023 for EUOs scheduled on August 1, 2023 and September 7, 2023, respectively.

The scheduling letters were proper as to form and there is no evidence submitted to establish that the letters were improper in any way, or that they were sent to an improper address. Based upon the policy violation, a timely denial was issued.

The respondent submitted affidavits to support the scheduling of the EUOs and mailing of the scheduling letters. In addition, the respondent provided an affirmation by the attorney who was scheduled to conduct the EUO of the applicant and to attest to the fact that no one on behalf of the applicant appeared for the two EUO's scheduled EUOs on August 1, 2023 or September 7, 2023.

The policy breach in this case was instituted by the applicant. It was its failure to appear at the two scheduled examinations under oath that caused the denial of the claim. The applicant's failure to appear for the examinations under oath breached a condition precedent to coverage. Unitrin Advantage Ins. Co. v. Bayshore Physical Therapy, PLLC, 82 A.D.3d 559, 560 (N.Y. App. Div. 1<sup>st</sup> Dept. 2011) held that:

When an EIP or applicant "failed to appear for the requested IMEs, [EUOs] [the insurer] had the right to deny all claims retroactively to the date of loss, regardless of whether the denials were timely issued...A denial premised on breach of a condition precedent to coverage voids the policy ab initio and, in such case, the insurer cannot be precluded from asserting a defense premised on no coverage.

The applicant presented no evidence that it did not receive the letters scheduling the examinations under oath or to refute the proof that a witness on its behalf did not appear for the examinations under oath on August 1, 2023 and September 7, 2023.

Based upon the proof presented, I find in that the respondent established that the applicant violated a condition precedent to coverage and that its denial can be sustained.

In addition, the applicant also submitted a copy of an order by Hon. Denise L. Sher, JSC, Supreme Court, Nassau County Index no. 605424 dated January 30, 2025, granting plaintiff GEICO a default judgement against defendant Old Style Pharmacy, Inc.

The court ordered that

[D]efendant has no right to receive payment for bills  
it submitted to plaintiffs referenced in plaintiffs'  
Verified Complaint because defendant failed and/or  
refused to appear for an Examination Under Oath  
requested by plaintiffs, and, thus, breached a  
condition of coverage and violated its obligations  
under the No-Fault Laws.

This order with notice of entry was filed on January 30, 2025. The applicant requested that this claim be dismissed without prejudice to allow the applicant time to cure the default.

However, the proofs presented at this hearing are sufficient to establish that for the claim at issue the respondent has established that the applicant violated a condition precedent to coverage and that respondent's denial based on the applicant's failure to appear for an EUO can be sustained.

**Accordingly, the claim is dismissed without prejudice allow the applicant an opportunity to cure the default judgment.**

Any further issues submitted in the record are held to be moot and/or waived insofar as they were not raised at the time of this hearing. This decision is in full disposition of all claims for no-fault benefits presently before this Arbitrator.

5. Optional imposition of administrative costs on Applicant.  
Applicable for arbitration requests filed on and after March 1, 2002.

I do NOT impose the administrative costs of arbitration to the applicant, in the amount established for the current calendar year by the Designated Organization.

**6. I find as follows with regard to the policy issues before me:**

- ☐ The policy was not in force on the date of the accident
- ☐ The applicant was excluded under policy conditions or exclusions
- ☐ The applicant violated policy conditions, resulting in exclusion from coverage
- ☐ The applicant was not an "eligible injured person"
- ☐ The conditions for MVAIC eligibility were not met
- ☐ The injured person was not a "qualified person" (under the MVAIC)

- ☐The applicant's injuries didn't arise out of the "use or operation" of a motor vehicle
- ☐The respondent is not subject to the jurisdiction of the New York No-Fault arbitration forum

Accordingly, the claim is DISMISSED without prejudice

This award is in full settlement of all no-fault benefit claims submitted to this arbitrator.
