ARBITRATION AWARD

I, Anne Malone, the undersigned arbitrator, designated by the American Arbitration Association pursuant to the Rules for New York State No-Fault Arbitration, adopted pursuant to regulations promulgated by the Superintendent of Insurance, having been duly sworn, and having heard the proofs and allegations of the parties make the following **AWARD**:

Injured Person(s) hereinafter referred to as: EIP

1. Hearing(s) held on 04/14/2025, 04/28/2025
Declared closed by the arbitrator on 04/28/2025

James Errera, Esq. from Shapiro & Associates, P.C. participated virtually for the Applicant

Mitchell Feder, Esq. from Sarah C. Varghese & Associates participated virtually for the Respondent

2. The amount claimed in the Arbitration Request, **\$465.78**, was NOT AMENDED at the oral hearing.
Stipulations WERE NOT made by the parties regarding the issues to be determined.
3. Summary of Issues in Dispute

The 53 year old EIP reported involvement in a motor vehicle accident on September 21, 2022; claimed related injury and underwent an office visit and injection with guidance provided by the applicant on November 9, 2023.

The applicant submitted a claim for these medical services, partial payment of which was timely made by the respondent based upon its determination of the correct reimbursable amount pursuant to a Coventry Magna Care Agreement between the parties.

The issue to be determined at the hearing is whether the respondent established its fee schedule defense.

4. Findings, Conclusions, and Basis Therefor

This hearing was held on Zoom and the decision is based upon the documents reviewed in the Modria File as well as the arguments made by counsel and/or representative at the arbitration hearing. Only the arguments presented at the hearing are preserved in this decision; all other arguments not presented at the hearing are considered waived.

The applicant billed a total of \$465.78 for the services at issue, for which the respondent made partial payment of \$196.16 pursuant to an agreement between the parties. The respondent contends that no further reimbursement is due.

To prevail in its fee schedule defense, the respondent must demonstrate by competent evidentiary proof that the applicant's claims are in excess of the appropriate fee schedule. If the respondent fails to do so, its defense of noncompliance with the New York Workers' Compensation Medical Fee Schedule cannot be sustained. See Continental Medical, P.C. v Travelers Indemnity Co., 11 Misc. 3d 145A (App. Term 1st Dept. 2006.)

An insurer fails to raise a triable issue of fact with respect to a defense that the fees charged were not in conformity with the Workers' Compensation fee schedule when it does not specify the actual reimbursement rates which formed the basis for its determination that the claimant billed in excess of the maximum amount permitted. See St. Vincent Medical Services, P.C. v. GEICO Ins. Co., 29 Misc.3d 141(A), 907 N.Y.S.2d 441 (App. Term 2d, Dec. 8, 2010.)

The respondent supported its fee schedule defense, with a copy of the agreement between the applicant and the respondent which provided the correct reimbursable amount for the services at issue.

Based on the Magna Care agreement between the parties, the correct reimbursable amount for the services at issue is \$196.16, which was timely paid by the respondent.

Under these circumstances no further reimbursement is due to the applicant.

Accordingly, the claim is dismissed with prejudice.

Any further issues submitted in the record are held to be moot and/or waived insofar as they were not raised at the time of this hearing. This decision is in full disposition of all claims for no-fault benefits presently before this Arbitrator.

5. Optional imposition of administrative costs on Applicant.
Applicable for arbitration requests filed on and after March 1, 2002.

I do NOT impose the administrative costs of arbitration to the applicant, in the amount established for the current calendar year by the Designated Organization.

6. **I find as follows with regard to the policy issues before me:**

- ☐ The policy was not in force on the date of the accident
- ☐ The applicant was excluded under policy conditions or exclusions
- ☐ The applicant violated policy conditions, resulting in exclusion from coverage
- ☐ The applicant was not an "eligible injured person"
- ☐ The conditions for MVAIC eligibility were not met
- ☐ The injured person was not a "qualified person" (under the MVAIC)
- ☐ The applicant's injuries didn't arise out of the "use or operation" of a motor vehicle
- ☐ The respondent is not subject to the jurisdiction of the New York No-Fault arbitration forum

Accordingly, the claim is DENIED in its entirety

This award is in full settlement of all no-fault benefit claims submitted to this arbitrator.
