### ARBITRATION AWARD

I, Anne Malone, the undersigned arbitrator, designated by the American Arbitration Association pursuant to the Rules for New York State No-Fault Arbitration, adopted pursuant to regulations promulgated by the Superintendent of Insurance, having been duly sworn, and having heard the proofs and allegations of the parties make the following **AWARD**:

Injured Person(s) hereinafter referred to as: EIP

1. Hearing(s) held on 06/23/2025  
Declared closed by the arbitrator on 06/23/2025

Robin Grumet, Esq. from Law Offices of Ilya E Parnas P.C. participated virtually for the Applicant

Jeffrey Kadushin, Esq. from Marshall & Marshall, Esqs. participated virtually for the Respondent

2. The amount claimed in the Arbitration Request, **\$1,545.96**, was NOT AMENDED at the oral hearing.  
Stipulations WERE NOT made by the parties regarding the issues to be determined.
3. Summary of Issues in Dispute

The 54 year old EIP reported involvement in a motor vehicle accident on January 15, 2024; claimed related injury and received various items of durable medical equipment provided by the applicant on February 8, 2024.

The applicant submitted a claim for this durable medical equipment (DME), payment of which was delayed pending verification of the claim at issue, including a sworn notice of intention to make a claim, a complete household affidavit, police report, proof of residency and lack of insurance applicable to this claim.

**The issue to be determined at the hearing is whether the respondent established that the claim is premature.**

4. Findings, Conclusions, and Basis Therefor

This decision is based upon the documents reviewed in the Modria File as well as the arguments made by counsel and/or representative at the arbitration hearing. Only the arguments presented at the hearing are preserved in this decision; all other arguments not presented at the hearing are considered waived.

The EIP reported involvement in a motor vehicle accident on January 15, 2024. This is a coverage issue, not one of outstanding verification requests.

In order to establish a *prima facie* case of entitlement to no fault benefits, the applicant needs to prove that a timely sworn notice of intention to make a claim was provided to MVAIC. MB Advanced Equipment, Inc. v MVAIC, 48 Misc.3d 139[A], 2017 NY Slip Op 51848[U] (App, Term 2d Dept., 2d, 11<sup>th</sup> & 13<sup>th</sup> Dists. 2017.)

Since in this instance, the applicant/EIP failed to provide MVAIC with a notarized household affidavit, notice of intention to file a claim, proof of residency and other documentation related to the subject accident which are conditions precedent to the right to apply for payment from MVAIC, the applicant failed to establish its *prima facie* case.

Under these circumstances, the claim is premature and should be dismissed without prejudice, pending receipt of the required documents/information to establish entitlement to coverage from the respondent.

**Accordingly, the claim is dismissed without prejudice.**

Any further issues submitted in the record are held to be moot and/or waived insofar as they were not raised at the time of this hearing. This decision is in full disposition of all claims for no-fault benefits presently before this Arbitrator.

5. Optional imposition of administrative costs on Applicant.  
Applicable for arbitration requests filed on and after March 1, 2002.

I do NOT impose the administrative costs of arbitration to the applicant, in the amount established for the current calendar year by the Designated Organization.

6. **I find as follows with regard to the policy issues before me:**

- The policy was not in force on the date of the accident
- The applicant was excluded under policy conditions or exclusions
- The applicant violated policy conditions, resulting in exclusion from coverage
- The applicant was not an "eligible injured person"
- The conditions for MVAIC eligibility were not met
- The injured person was not a "qualified person" (under the MVAIC)
- The applicant's injuries didn't arise out of the "use or operation" of a motor vehicle
- The respondent is not subject to the jurisdiction of the New York No-Fault arbitration forum

Accordingly, the claim is DISMISSED without prejudice

This award is in full settlement of all no-fault benefit claims submitted to this arbitrator.
