ARBITRATION AWARD

I, Anne Malone, the undersigned arbitrator, designated by the American Arbitration Association pursuant to the Rules for New York State No-Fault Arbitration, adopted pursuant to regulations promulgated by the Superintendent of Insurance, having been duly sworn, and having heard the proofs and allegations of the parties make the following **AWARD**:

Injured Person(s) hereinafter referred to as: EIP

1. Hearing(s) held on 08/21/2026
Declared closed by the arbitrator on 08/21/2026

Michael Tomforde, Esq. from Dash Law Firm, PC participated virtually for the Applicant

Peter Famuyide from American Transit Insurance Company participated virtually for the Respondent

2. The amount claimed in the Arbitration Request, **\$425.69**, was NOT AMENDED at the oral hearing.
Stipulations WERE NOT made by the parties regarding the issues to be determined.
3. Summary of Issues in Dispute

The 80 year old EIP reported involvement in a motor vehicle accident on August 13, 2024; claimed related injury and underwent x-rays provided at the applicant's facility on August 13, 2024.

The applicant submitted a claim for these medical services, payment of which was delayed pending responses to verification requests for documents and information.

The verification requested was for the Assignment of Benefits (AOB) for the services at issue.

The issue to be determined at this hearing is whether the respondent established that the claim is premature.

4. Findings, Conclusions, and Basis Therefor

This hearing was held on Zoom and the decision is based upon the documents reviewed the Modria File as well as the arguments made by counsel and/or representative at the arbitration hearing. Only the arguments presented at the hearing are preserved in this decision; all other arguments not presented at the hearing are considered waived.

If an insurer requires any additional information to evaluate the proof of claim, such request for verification must be made within 15 business days of the receipt of the bill in order to toll the 30 day period to pay or deny the claim. See 11 NYCRR 65-3.5(b); See also New York Hosp. Med. Ctr. of Queens v. Allstate Ins. Co., 2014 NY Slip Op 00640 (2d Dept. 2014.)

Where there is a timely original request for verification, but no response to the original request for verification is received within 30 days, or the response to the verification request is incomplete, then the insurer, within 10 calendar days after the expiration of that 30 day period, must follow up with a second request for verification. Id.

If there is no response to the second or follow up request for verification, the time in which the insurer must decide whether to pay or deny the claim is indefinitely tolled. Id.

Therefore, when a no-fault medical service provider fails to respond to the requests for verification the claim is premature and should be denied without prejudice.

In the instant matter, the respondent sent timely verification requests to which the applicant did not submit a response.

In Island Life Chiropractic, PC v Travelers Ins.Co., 64 Misc. 3d 143(A), 117 N.Y.S.3d 428 (App Term 2d Dept. 2019) the court held that "Where a no-fault insurer is relying on the defense that an action is premature because verification is outstanding, it is the defendant insurer's prima facie burden at trial to demonstrate (1) that verification requests were timely mailed and that the defendant did not receive the requested verification. (See 11 NYCRR 65-3.8[a]; Right Aid Medical Supply Corp. v State Farm Mut. Auto Ins. Co., 58 Misc. 3d 140(A), 94 N.Y.S.3d 540 NY Slip OP 51875[U] (App Term 2d Dept, 2d, 11th & 13th Jud Dists (2017.)

In the instant matter, the respondent submitted proof of mailing of the verification requests and evidence from someone with personal knowledge that a response was not received from the applicant.

Under these circumstances, the respondent established that the claim is premature and therefore, the time to pay or deny the bill at issue is tolled.

Accordingly, the claim is dismissed without prejudice.

Any further issues submitted in the record are held to be moot and/or waived insofar as they were not raised at the time of this hearing. This decision is in full disposition of all claims for no-fault benefits presently before this Arbitrator.

5. Optional imposition of administrative costs on Applicant.
Applicable for arbitration requests filed on and after March 1, 2002.

I do NOT impose the administrative costs of arbitration to the applicant, in the amount established for the current calendar year by the Designated Organization.

6. I find as follows with regard to the policy issues before me:

- ☐ The policy was not in force on the date of the accident
- ☐ The applicant was excluded under policy conditions or exclusions
- ☐ The applicant violated policy conditions, resulting in exclusion from coverage
- ☐ The applicant was not an "eligible injured person"
- ☐ The conditions for MVAIC eligibility were not met
- ☐ The injured person was not a "qualified person" (under the MVAIC)
- ☐ The applicant's injuries didn't arise out of the "use or operation" of a motor vehicle
- ☐ The respondent is not subject to the jurisdiction of the New York No-Fault arbitration forum

Accordingly, the claim is DISMISSED without prejudice

This award is in full settlement of all no-fault benefit claims submitted to this arbitrator.
